BBA 1B(2024-27) - Dr. Kiran Garg

The Orientation, ‘The Connect’24’ of MBA (2024-26) & BBA (2024-27) was conducted on 20th August 2024 at Department of Management, Block -7, MAIT Campus. It was a vibrant and interactive event & was designed to welcome the new cohort of students and set the tone for their journey ahead. The day was filled with insightful presentations and motivational talks from faculty and class coordinators of specific classes. The class coordinators welcomed the students in their classes.

The event began with a brief introduction by class coordinators in their respective classes. The ppt presentations was shown and discussed with them. The ppt was prepared in four parts in detail to answer all queries from students like first part of ppt was in relation to information about MAIT, Trust, Management and their objectives, about department etc., second part of ppt was related to provide information about main heads of MAIT and faculty, third part of ppt was related to academic and placements performance, facilities in campus etc., and fourth part was all about common functions of campus, departmental clubs, students magazines etc. The coordinators emphasized the importance of management education and the unique opportunities the BBA & MBA program offers. They also provided an overview of the curriculum, program structure, and key objectives of the MBA journey.

The new students had the opportunity to meet their HoD and faculty members through interactive sessions. These discussions provided insights into the course modules, assessment methods, and expectations. Faculty members also shared their research interests and how students can engage in various academic activities throughout the program.

Overall, the Orientation Day was a blend of learning, interaction, and fun. It was ensured that the students felt welcomed, motivated, and ready to embark on their educational & academic journey.
